The park is located just on the outskirts of Innerwick and about 2 miles from Dunbar and is situated in a sheltered hollow, free of noise or air pollution with lovely views to the surrounding countryside. The beautiful surrounding coastline and countryside including the end of the southern upland way provide a healthy and stimulating recreational environment.

This secluded community comprises of luxury holiday lodges and caravans and offers the ideal weekend or holiday accommodation thoughtfully sited to ensure maximum space and privacy.

The historic seaside and fishing town of Dunbar has an excellent shopping centre including a recently opened ASDA Superstore, with schooling for all ages and a wide range of leisure and recreational facilities. These include a modern leisure pool, sports complex, 2 links golf courses and numerous sports and social clubs. The town is surrounded by typically beautiful East Lothian countryside and there are many interesting coastal walks including those at John Muir Country Park. Dunbar is also within comfortable commuting distance of Edinburgh by car or by train from the local railway station and the express way and city bypass also provide rapid access to the airport and motorway network.

The property offered for sale is a detached "Chalet" style Lodge offering good living accommodation with a flexible layout. This attractive two bedroom property is fully fitted throughout to include carpeting, curtains, blinds, light fittings, modern fireplace in the lounge, fully equipped kitchen with integrated appliances and separate utility room also with washing machine and tumble dryer and fitted bedroom furniture. It also benefits from full double glazing, including double French doors opening out to a sunny veranda/deck, LPG central heating and there are ample power outlets, TV (cable ready) and telephone connection points throughout. Outside there are attractively landscaped grounds communal to the residents and a private tarmac driveway in front of the lodge. The community also provides residents with a general store for everyday shopping and a leisure complex complete with restaurant, gym and indoor swimming pool.
